Disclosure

Accreditation Disclosure

CompTIA Tech Career Academy is not an institution that has received accreditation from an accrediting body recognized by the U.S. Department of Education.

CTCA Board Officials: Courtney Fong, Chief Legal Officer & Chief Privacy Officer/Board Secretary
Nancy Hammervik, CEO CompTIA Tech Career Academy
Brian Laffey, Chief Financial Officer/Board Treasurer
Todd Thibodeaux, Board Director and CEO of CompTIA

Key CTCA Staff: Kathy Brennan, National Director, Career Services
Caroline Conlon, Bursar
Anne Eckroth, Manager, Academic Affairs
Chrissy Hannon, Registrar
Stacy Litwin, Academic Advisor
Nicole Maseberg, Career Development Manager
Tracie Micheff, Admissions Advisor
Kathy Mrazek, Admissions Advisor & Alumni Services Manager
Karin Nordmeyer, Specialist, Librarian
Lauren Pierce, Senior Manager, Office of Admissions
Nancy Ptak, Director, Bursar & Financial Aid
Joelle Szyszka, Manager, Faculty Affairs
Kris Tharp, Admissions Advisor
Adam Turner, Chief Academic Officer
Sue Wallace, VP, Alumni Services & Community Engagement
Scot Yonan, Director, Instructional Design

Manager of North Carolina Campus: Selah Roberts, Senior Manager, Compliance

Director of North Carolina Campus: Selah Roberts, Senior Manager, Compliance

CTCA Instructors: See Addendum 1 for a list of institutional instructors and program(s) taught.

History

As the philanthropic arm of CompTIA, Creating IT Futures Foundation (CITF) is a nonprofit organization that was founded in 1998 and provides educational training and certification opportunities to those who seek an upwardly mobile career in the IT field. The IT-Ready Technical Support program was designed to help unemployed and under-employed individuals improve their lives through tech careers. CompTIA Tech Career Academy (CTCA) is the name of an institution established under CITF that offers IT-Ready Technical Support programming. CTCA operates branch residential campuses in Chicago, Illinois; Edina, Minnesota; Phoenix, Arizona; Raleigh, North Carolina; and Portland, Oregon and has ongoing efforts to obtain approval from states to enroll their residents into our online programming.

Mission

Our mission is to unlock people's potential by helping them launch and grow their careers in information technology.

Locations and Hours of Operation

Raleigh, North Carolina Branch Campus

The CTCA Raleigh Campus is located at 112 Cox Avenue, Suite 202 in Raleigh NC, 27605. Each program session can accommodate up to 25 students and one instructor per class.

Hours of Operation: 8:30 AM to 4:30 PM Eastern Time (ET), Monday through Friday.

Closed Saturdays, Sundays, and major holidays.

Phone number: 866-251-4487, extension 3.

Headquarters (Downers Grove, Illinois)

CompTIA Tech Career Academy is headquartered at 3500 Lacey Road, Suite 100, Downers Grove, IL 60515. Each program session can accommodate up to 25 students and one instructor per class.

Hours of Operation: 8:30 AM to 4:30 PM Central Time (CT), Monday through Friday.

Closed Saturdays, Sundays, and major holidays.

Phone number: 866-251-4487.

Out of State Branches

Chicago, Illinois Branch Campus

Location: The CTCA Chicago campus is located at 3390 N. Avondale Ave., Chicago IL 60618, within the El Centro building, which is one of the Northeastern Illinois University's campuses.

Phone number: 866-251-4487, extension 1

Edina, Minnesota Branch Campus

Location: The CTCA Twin Cities campus is located at 7505 Metro Blvd., Suite 430, Edina MN 55439. The campus is on the fourth floor of a six-story building at the intersection of Highway 100 and 494, which is southwest of Minneapolis. Each program session can accommodate up to 25 students and one instructor per class.

Phone number: 866-251-4487, extension 2

Phoenix, Arizona Campus

Location: The CTCA Phoenix campus is located at 3200 N. Central Avenue, Suite 1125 in Phoenix AZ 85012. Each program session can accommodate up to 25 students and one instructor per class.

Phone number: 866-251-4487, extension 5

Portland, Oregon Branch Campus

Location: The CTCA Portland Campus is located at 111 SW Fifth Ave., Suite 4050, Portland OR 97204, on the corner of 5th Ave and Burnside, on the fortieth floor of the US Bancorp Tower. Each program session can accommodate up to 25 students and one instructor per class.

Phone number: 866-251-4487, extension 7

Online Campus

Online Instruction Hours

Divided into two sections:

Section A: 9:00 AM to 12:00 PM CT, Monday through Friday.

Section B: 6:00 PM to 9:00 PM CT, Monday through Friday.

Both closed Saturdays, Sundays, and major holidays.

Phone number: 866-251-4487, extension 8

Facilities & Equipment

Raleigh Branch Campus

CTCA's IT-Ready Technical Support program is held at our Raleigh Campus located at 112 Cox Avenue, Suite 202 in Raleigh NC, 27605. Each program session can accommodate up to 25 students and one instructor per class. Students have access to a computer, the internet, and required software (Microsoft Office) for classroom assignments and labs.

Equipment

The IT-Ready Technical Support program offers appropriate computer equipment and high-speed internet access for students to participate in classroom activities. The standard computer equipment available for students to utilize while enrolled in the program includes:

- 64-bit Windows operating system (Windows 7 or 10 professional or above)
- Intel i5 processor (or equivalent)
- CPU with VT, VT-x or similar virtualization support
- 8 GB RAM
- 500 GB HDD or SSD
- Microsoft Office 2016

IT-Ready Technical Support Program

Program Description

The IT-Ready Technical Support program is a classroom-based program which consists of 240 clock hours of classroom instruction over eight (8) weeks. This program prepares students to take and pass the CompTIA A+ certification examinations (CompTIA A+ 220-1001 and CompTIA A+ 220-1002). Successful program completers will earn their CompTIA A+ certification and a CTCA Certificate of Completion.

This single-course, postsecondary program teaches curriculum to students for CompTIA A+ certification; students receive this certification from a third party through an examination process. The cost of the program includes tuition, instruction, content (books or eBooks), a CompTIA A+ 220-1001 Core 1 examination voucher, a CompTIA A+ 220-1002 Core 2 examination voucher, and one examination retake voucher for each examination.

CompTIA A+ 220-1001 covers PC hardware and peripherals, mobile device hardware, networking and troubleshooting hardware and network connectivity issues. CompTIA A+ 220-1002 covers installing and configuring operating systems including Windows, iOS, Android, Apple OS X, and Linux. It also addresses security, the fundamentals of cloud computing, and operational procedures.

This program prepares students for a Computer User Support Specialist or equivalent entry-level IT help desk role (CIP Code 11.1006, O-NET Number 15-1232.00). The Standard Occupational Code (SOC) for this program training is 15-1231 Computer Network Support Specialist. Individuals who successfully complete the program and achieve their CompTIA A+ certification have the opportunity to apply to jobs that our partners offer; CompTIA Tech Career Academy does not guarantee job placement after successful completion of the program.

Graduation Requirements

To graduate from the IT-Ready Technical Support program, students must be in good standing and complete the program with a passing grade (defined as having achieved 70% or higher cumulative score on graded coursework in the program) and earn their CompTIA A+ certification. Students cannot have more than one absence and three tardies throughout the duration of the program. Graduates of the program will be awarded a Certificate of Completion.

A Pass (P) final grade will be based on the combination of successful completion of the program hours/coursework and the achievement of the CompTIA A+ certification. The CompTIA A+ certification is awarded to those who take and pass the two certification exams, CompTIA A+ 220-1001 and CompTIA A+ 220-1002. Students will receive one certification voucher (with one retake) per exam. Students will have up to 14 days after the completion of the classroom training to achieve CompTIA A+ certification.

Students who successfully complete the program hours but fail to successfully obtain the CompTIA A+ certification within 14 days post instruction will receive a Fail (F) grade and will not graduate from the program

Failure to Complete Program

A student fails to complete the IT-Ready Technical Support program if he or she does not satisfactorily complete their program hours/coursework and pass their certification exams within 14 days of the end of classroom instruction.

Students who fail to complete the program may reapply. Refer to the Student Readmission policy for more information.

Equipment, Software, and Supplies

Computer equipment is provided to each student in the IT-Ready Technical Support program for classroom use only. Any software required for the program will be provided by CTCA at no cost to the student. This software is provided under licenses that allow for its use only in pursuit of the program.

Students are expected to provide their own pens, pencils, note-taking materials, etc. for use in the program.

IT-Ready Technical Support Syllabus

| | |
|---|--|
| Course Title | IT-Ready Technical Support |
| Course Number | TS101 |
| Delivery Mode | This program is delivered on campus using lab and lecture instruction |
| Clock Hours | 240 clock hours Breakdown: 24 total lab clock hours, 215 total lecture clock hours |
| Course Length | Single-course program of 40 class sessions delivered over 8 weeks |
| Prerequisites | None |
| Instructor Name and Email Address | Dan Davis: ddavis@comptiaglobal.org |
| Program Information and Credential | The IT-Ready Technical Support Program consists of one course. To complete the program, students must successfully pass the IT-Ready Technical Support program coursework and earn their CompTIA A+ certification. Students who successfully complete the program are awarded a Certificate of Completion. |

| | |
|--|---|
| <p>Program/Course Description</p> | <p>This program teaches curriculum to students to prepare them for CompTIA A+ certification; students receive this certification from a third party through an examination process (CompTIA A+ 220-1001 and CompTIA A+ 220-1002). CompTIA A+ 220-1001 covers PC hardware and peripherals, mobile device hardware, networking and troubleshooting hardware and network connectivity issues. CompTIA A+ 220-1002 covers installing and configuring operating systems including Windows, iOS, Android, Apple OS X, and Linux. It also addresses security, the fundamentals of cloud computing, and operational procedures.</p> |
| <p>Learning Objectives</p> | <p>This program prepares students for a Computer User Support Specialist or equivalent entry-level IT help desk role (CIP Code 11.1006, O-NET Number 15-1232.00). By the completion of the program, students should be able to understand the following topics:</p> <ul style="list-style-type: none"> ● Security: Support and secure access to data by properly using authentication, access control, and encryption for an organization. ● Networking: Apply core concepts and protocols and subnet mask to set up and support wired and wireless networks. ● Operating systems: Troubleshoot mobile, server, and traditional operating systems ranging from Android and iOS to Windows and Linux. ● IT Operations: Use the basics of virtualization, cloud computing, desktop imaging, and deployment to support today's IT infrastructures. ● Troubleshooting: Use decision trees for diagnosing, resolving, and documenting common hardware and software issues across a variety of devices. ● Technical Support: Apply principles of customer service to help resolve IT issues. |
| <p>Certification Requirements</p> | <p>Students are required to achieve CompTIA A+ certification in order to be considered a successful program graduate and to earn a Pass grade in the IT-Ready Technical Support program. Students will have up to 14 days after the completion of the program training to achieve CompTIA A+ certification. The program prepares graduates to earn their CompTIA A+ certification by completing program coursework and reviewing test prep materials for certification. Refer to the program curriculum outline for a detailed listing of the materials that will be covered and the assessments that will be completed as part of the IT-Ready Technical Support program. Students are issued a voucher for each of the two sections of the CompTIA A+ certification examinations, as well as one retake voucher per exam (vouchers are included in the total cost of the program). Students must register their own accounts and schedule their own exam with Pearson VUE (https://home.pearsonvue.com/). Students who fail a CompTIA A+ certification examination do not have a waiting period and can schedule their retake with Pearson VUE using their retake voucher.</p> |

| <p>Grading System</p> | <table border="0"> <thead> <tr> <th data-bbox="488 163 565 191">Rating</th> <th data-bbox="737 163 878 191">Letter Grade</th> </tr> </thead> <tbody> <tr> <td data-bbox="488 226 542 254">Pass</td> <td data-bbox="743 226 760 254">P</td> </tr> <tr> <td data-bbox="488 289 532 317">Fail</td> <td data-bbox="743 289 760 317">F</td> </tr> </tbody> </table> <p data-bbox="488 352 1419 491">In order to demonstrate satisfactory academic progress in the program, a student must achieve a 70% or higher cumulative score on coursework that is graded over the program. Admissions Requirements

Prospective IT-Ready Technical Support program students must meet the following enrollment or entrance requirements:

- Be at least 18 years of age
- High School graduate or holder of GED or has transcripts confirming higher level degree(s) earned from an accredited institution
 - Must be able to provide proof - copy of transcripts, high school diploma/transcript, or GED
- Eligible to work in the United States
- Able to provide a valid government issued photo identification or driver's license
 - Please see Appendix A for a list of acceptable documents to establish identity and employment eligibility
- Participate in an online interview
- Take an aptitude test and achieve the minimum acceptable score
- Able to speak, read/write, and understand the English language
- Able to use a computer to navigate in the Windows environment

Aptitude Test Requirement

The Wonderlic test is an aptitude test that is used to determine an individual's ability/potential to succeed in a certain task, with no prior knowledge or training. Prospective students must achieve the minimum acceptable score of 19. Prospective students are permitted one (1) retake of the Wonderlic test after 30 days following the original test date.

Language Requirements

IT-Ready Technical Support program sessions are offered in the English language. CTCA does not offer English as a Second Language (ESL). The student must be able to speak, read/write and understand the English language to enroll in any CTCA program. The student's signature on the Enrollment Agreement signifies that they attest to their ability to be able to speak, read/write, and understand the English language. In addition, CTCA verifies English language skills through the admissions process.

Online Interview

Students who miss or do not show for their online interview with CTCA two (2) times will not be considered for the program cohort they have been attempting to enroll into.

Special Needs Accommodations

Any prospective student who has a special needs request or accommodation must submit the request in writing via email or postal mail (along with any supporting documentation) to the Senior Manager, Office of Admissions and at least six (6) weeks prior to enrollment to determine if the school can accommodate the request.

Accommodation requests should be submitted to the Senior Manager, Office of Admissions at admissions@comptiatech.org or via postal mail to:

CompTIA Tech Career Academy ATTN: Senior Manager, Office of Admissions
3500 Lacey Road, Suite 100 Downers Grove, IL 60515

Non-discrimination Policy

CompTIA Tech Career Academy (CTCA) will not discriminate for or against any applicant on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, gender identity), national origin (including Limited English Proficiency [LEP]), age, disability, political affiliation, or belief, or, for beneficiaries, applicants, and participants only on the basis of either citizenship status or participation.

Application Procedure

Prospective students who are interested in enrolling in the IT-Ready Technical Support program must submit an application through the CTCA website (www.comptiatech.org). Both modalities of the IT-Ready Technical Support program have ongoing enrollment throughout the year, and application deadline dates will vary by scheduled cohort. Students can refer to the CTCA website to view the upcoming program schedule in their area. Prospective students will be required to provide proof of high school completion or a GED and a valid government issued photo identification or driver's license. Eligible applicants who have requested financial assistance in the application will be required to provide certain documents in order to continue with the financial assistance process (e.g., W-2 forms, pay stubs, public assistance documentation).

Following submission of the application, applicants will receive an invitation to take an aptitude test online. The Wonderlic aptitude test is used to determine an individual's ability/potential to succeed in a certain task, with no prior knowledge or training. Applicants must achieve a passing score of at least 19 in order to proceed in the application process. All Applicants are notified of their testing results via email, including if they did not achieve the minimum required score. Applicants who achieve the minimum required score will be contacted via email by Admissions to arrange their virtual interview.

During the interview, an Admissions Advisor will review information about the IT-Ready Technical Support program with the prospective student. Admissions Advisors will evaluate the prospective student's overall interest in the program, his or her communication skill level, and general computer knowledge using a scaled rubric. Applicants to the online program will be assessed on their ability to learn in an online environment. Additionally, students seeking to enroll in the online program will be asked to confirm whether they have the appropriate hardware and software required for the program.

Admissions will review the student's application, Wonderlic score, and interview results and inform the prospective student if they are eligible to proceed with the application process or if they have been denied entry into the program. Applicants are notified if they are being offered a seat in a class by being sent an 'Offer Email' after completing the virtual interview. Email notifications are also sent to those applicants who are not being offered a seat in class. Emails are sent for offers and denial notices with two to three (2-3) business days after the virtual interview.

Enrollment Dates

The IT-Ready Technical Support program has ongoing enrollment throughout the year and prospective students can apply anytime. Individuals interested in participating in the IT-Ready Technical Support program must complete an online application at www.comptiatech.org as the first step of the enrollment process. In an average year, an IT-Ready Technical Support program session will be offered four times annually.

Tuition, Fees, and Other Costs

The total cost of the IT-Ready Technical Support program is \$8,500.00. The cost of the program includes tuition, instruction, program content (books), a CompTIA A+ 220-1001 Core 1 examination voucher, and a CompTIA A+ 220-1002 Core 2 examination voucher (and one retake voucher for each examination, if necessary).

Tuition

Tuition for the IT-Ready Technical Support program is \$8,120.00.

Application Fees and Administrative Costs for Withdrawal or Termination

CompTIA Tech Career Academy does not charge students a fee for application to or withdrawal or termination from the institution.

Program Content (Books)

The content fee for the IT-Ready Technical Support program is \$120.00. This fee includes two books (or the eBook version of these materials): The Official CompTIA A+ Core 1 Self-Paced Study Guide for 220-1001 and The Official CompTIA A+ Core 2 Self-Paced Study Guide for 220-1002. Students should expect to receive their books the Friday prior to class starting.

Equipment and Software

Computer equipment is provided to each student in the IT-Ready Technical Support program for classroom use only. Any software required for the classroom-based program will be provided by CTCA at no cost to the student. This software is provided under licenses that allow for its use only in pursuit of the program.

Service Charges

CompTIA Tech Career Academy will assess a fee of 1.5% the amount owed for late payments.

Tools and Lab Fees

CompTIA Tech Career Academy does not charge any fees for tools or labs.

Supplies

Students are expected to provide their own pens, pencils, note-taking materials, etc.

Certification Exam Vouchers

Students must successfully pass the CompTIA A+ 220-1001 Core 1 examination and the CompTIA A+ 220-1002 Core 2 examination within 14 days after completing their training in order to pass the IT-Ready Technical Support program. The \$260.00 voucher fee covers the cost of exam vouchers that will be issued to students in the fifth week of the program.

Students must register their own accounts and schedule their own exam with Pearson VUE (<https://home.pearsonvue.com/>).

Fee Chart – IT-Ready Technical Support

| Fee Type | Fee Amount |
|--|----------------------|
| Tuition | \$8,120.00 |
| Certification Exam Vouchers (CompTIA A+ 220-1001 Core 1, CompTIA A+ 220-1002 Core 2 and one retake voucher for each examination, if necessary) | \$260.00 |
| Content (two books or eBooks: Official CompTIA A+ Core 1 Self-Paced Study Guide for 220-1001 and Official CompTIA A+ Core 1 Self-Paced Study Guide for 220-1002) | \$120.00 |
| Equipment | Included |
| Software | Included |
| Late Payment Fee | 1.5% the amount owed |
| Registration Fee | \$0 |
| Withdrawal Fee | \$0 |
| Refund Fee | \$0 |
| Official Transcript Fee | \$0 |
| Total | \$8,500.00 |

Payment of Tuition and Fees

Tuition and fees for the IT-Ready Technical Support program includes instruction, content (books), the CompTIA A+ 220-1001 Core 1 examination voucher, and the CompTIA A+ 220-1002 Core 2 examination voucher (and one retake voucher for each examination). Tuition and fees must be paid using PayPal. Payments can be made using a credit card, eCheck, or checking account that has been linked with PayPal. A fee of 1.5% the amount owed will be assessed for late payments. Once the account is past due, the student will be placed on a non-academic hold and is withdrawn from the program.

If total tuition is greater than five-thousand dollars (\$5,000), the school may collect up to 50 percent of the total tuition prior to that mid-point of the program. The remainder of the tuition may be collected only when the student has completed one-half of the program. Federal regulations regarding the disbursement of tuition shall supersede state disbursement regulations stated in this Rule.

The total cost the student is to pay is divided into two payments based on this Rule. The first payment is due when the student starts the program and the second payment is due on the start of the fifth week. Once the account is past due, the student will be placed on a non-academic hold and is withdrawn from the program.

Payment Plan

A payment plan is available through PayPal and consists of two installments. The first payment (50% of the total) is due 14 days prior to the start of the class, with the remaining balance due five (5) business days after the program cohort begins.

CompTIA Tech Career Academy will attempt to recover the funds from the student prior to turning the debt over to a collection agency. Students who are forced to involuntarily withdraw from the program will have their refund calculated in the same manner as a voluntary withdrawal.

Student Loans

CompTIA Tech Career Academy (CTCA) is partnered with UNISA, a student loan provider/servicer, to offer institutional student loans to qualifying students. Students pay nothing and do not accrue interest on their loans during their training or the three (3) month grace period before they must start paying back the loans. The grace period is defined as three (3) months after the last day of attendance due to either graduation or withdrawal from the school.

Once the grace period ends, the loans have a 2% annual interest rate and the minimum payment amount is \$10 a month. For loans under \$2,500, a student will have 48 months/4 years, starting at the end of the grace period, to repay the loan. For loans equal to or above \$2,500, a student will have 60 months/5 years, starting at the end of the grace period, to repay the loan.

Students accepting CompTIA Loans must agree to and abide by all UNISA requirements in servicing the student loan, including the student loan application, approval, self-certification, entrance counseling, promissory note, and final disclosure.

Grants

Some students will need help paying tuition. Financial assistance—up to the full tuition amount—is available through grants from our generous donor organizations including CompTIA and Creating IT Futures Foundation. Private foundations help to support students at specific campus locations.

CompTIA Grants

Some students will need help paying tuition. Financial assistance—up to the full tuition amount—is available through grants from our generous donor organizations, including CompTIA and Creating IT Futures Foundation. Private foundations help to support students at specific campus locations. CompTIA Tech Career Academy does not currently participate in the federal student aid program.

CompTIA Grants are available to students who qualify in at least one of the following categories:

- **\$1,000:** Individuals who have been historically under-represented in the tech industry (African Americans, Hispanic/LatinX and Native Americans);
- **\$1,000:** U.S. military veterans, their spouses, or caregivers;
- **\$1,000:** Women;
- **Partial tuition amount (50%):** Annual income above 200% but below 300% of the federal poverty threshold.
- **Full tuition amount:** Annual income at or below 200% of the federal poverty threshold.

Applicants must be a U.S. citizen or eligible non-citizen with authorization to work in the U.S. Applicants must meet all other eligibility requirements for enrollment into the program. Eligible applicants who have requested financial assistance will be required to provide certain documents (e.g., W-2 forms, pay stubs, public assistance documentation) in order to continue with the financial assistance process.

The grants do not have any monetary value and CTCA can only apply the grant to students' accounts for tuition charges incurred.

During the admissions process, if a student requests financial assistance and s/he qualifies for a full or partial grant, it is the student's responsibility to obtain documentation required for the award 14 days prior to the start of class. To date, the CompTIA Grants have been fully funded. In the event there are insufficient funds to meet all eligible awards, funds will be awarded on a "first come, first served" basis until depleted.

Attendance Policies

Program attendance is an essential part of the educational process at CompTIA Tech Career Academy, and students are expected to attend each classroom session on time in order to facilitate their academic success. Attendance will be monitored and recorded daily throughout the program.

Absences

Students are permitted one (1) absence while enrolled in the IT-Ready Technical Support program. An absence is defined as missing more than 50% of a single day's class. Students are required to make-up the work they missed due to an absence; see Make-up Work Policy. A student who is absent for two (2) days without an approved leave of absence will be dismissed from the program.

Tardiness/Early Departure/Class Cuts

Students are expected to be on time for each class session. Students will be considered tardy anytime they miss class due to arriving late or leaving early. Students are permitted up to three (3) tardies while enrolled in the IT-Ready Technical Support program. Acquiring four (4) tardies results in dismissal.

Tracking Attendance

Instructors for the IT-Ready Technical Support program will take attendance at the start of the class in the morning, upon return from each scheduled break, and at the end of the day. Instructors submit the attendance records twice daily to the Academic Advisor – once in the morning and once in the afternoon.

Make-up Work

Students are required to complete missing assignments if they are absent. Make-up work for an absence must be prearranged with the IT-Ready Technical Support program instructor and must be completed outside of normally scheduled class hours. Students must complete the make-up work within one calendar week of the date of their absence. Making up work does not eliminate an absence, and any additional absences will be cause for withdrawal from the program.

Withdrawal

Students may withdraw from the IT-Ready Technical Support program at any time and, if due a refund, it will be calculated according to the state-specific cancellation and refund policy.

Leave of Absence

A leave of absence (LOA) may be granted to a student if s/he faces certain conditions that are beyond his or her control. Such conditions include military deployment, jury duty, and medical leave. Documentation is required for all leave of absence requests. A doctor's note is sufficient evidence for leave of absence requests due to medical leave.

A LOA may be permitted when a student faces certain life events, such as military deployment, jury duty, serious illness, debilitating injury, or a death in the immediate family. Any student who seeks a leave of absence must complete a Leave of Absence form (available on the CompTIA Tech Career Academy website at www.comptiatech.org) and submit the form via email to studentservices@comptiatech.org. A reason for the request and the expected timeframe of leave must be clearly identified on the form so the institution has a reasonable expectation of the student's return.

Students should submit the request prior to the beginning date of the LOA unless unforeseen circumstances prevent a student from doing so. Corroborating documentation may be required. If a student does not request a LOA within a timeframe consistent with the CompTIA Tech Career Academy Absence Policy, s/he will be withdrawn from the program. Any refunds for a withdrawal will be issued in accordance with CompTIA Tech Career Academy's Refund Policy.

For a LOA to be granted to a student, CompTIA Tech Career Academy must have a reasonable expectation that the student will return to the program at the end of a LOA. The granting, denial, and duration of a leave of absence will be done on a case-by-case basis at the sole discretion of CompTIA Tech Career Academy.

A LOA is limited to a maximum of 180 calendar days or one-half the published program length, whichever is shorter. Multiple LOAs may be permitted. An approved LOA may be extended for an additional period

provided the extension request meets the above requirements, and the total length of the LOA does not exceed the specified limit.

A student returning from a LOA will need to contact his/her Academic Advisor or studentservices@comptiatech.org to re-enroll and start from the beginning of a new cohort. Students returning from a LOA will not be required to pay the cost of tuition and fees for the enrolled program a second time. Students who fail to re-enter the program at the end of an approved LOA will be withdrawn from the program.

Student Readmission

Students who have previously withdrawn from CompTIA Tech Career Academy (CTCA), have been dropped from their academic program, or who did not receive a passing grade in their program may choose to petition the institution for consideration of readmission. In order to be considered for readmission, individuals must complete a new application in its entirety. Individuals who have previously been terminated from the program for Student Conduct Policy violations are ineligible for re-enrollment at CTCA.

Requirements for Consideration of Readmission

1. Update application in the SONIS student portal (studentportal.comptiatech.org).
2. If an applicant previously requested financial assistance and was awarded a grant, s/he would need to request that assistance again in the updated application. There are no guarantees an applicant will be awarded another grant.
3. The applicant must submit an essay with a minimum of 250 words detailing his/her academic and career goals, how CTCA can assist with attaining these goals, if any obstacles were encountered during the previous enrollment (e.g., academic, personal and/or scheduling difficulties), and how such obstacles to academic success will be addressed and overcome given the opportunity for readmission at CTCA.
 - o All essay submissions must be emailed to admissions@comptiatech.org and include the subject line of ATTN: Senior Manager, Office of Admissions – Readmissions Request.
4. Applicants will be required to complete an online interview with the Senior Manager, Office of Admissions once their essay has been reviewed.
5. All outstanding balances must be paid in full and the applicant is responsible, whether through grants and/or self-pay, for the full amount of the course if readmitted.

Once an applicant has completed all the readmission requirements, the Senior Manager, Office of Admissions will review the essay along with the applicant's previous academic history, attendance record, and reason for prior program departure.

Each readmission request will be reviewed on a case-by-case basis. A student is not guaranteed readmission into CompTIA Tech Career Academy.

Should an applicant be approved for readmission into the program, s/he will start that program over again from the beginning. No prior coursework or progress will be transferred to the current program. Students who are readmitted to the IT-Ready Technical Support program will not be required to pay the \$120.00 content fee for the two required books a second time. Students who are readmitted to the program will be required to pay the cost of tuition and the \$260.00 fee for certification exam vouchers.

Grading System

The IT-Ready Technical Support program grading is Pass/Fail. CompTIA Tech Career Academy monitors student progress frequently and provides feedback to students over the course of the program. Students will have a variety of activities, including quizzes, knowledge checks, and mock exams, that will be reviewed and graded to ensure that the students are progressing appropriately. Students must achieve a cumulative score of 70% or higher on the graded assignments.

A Pass (P) final grade for the IT-Ready Technical Support program will be based on the combination of successful completion of the program clock hours and the achievement of the CompTIA A+ certification. Students who successfully complete the program are awarded a Certificate of Completion. The CompTIA A+ certification is awarded to those who take and pass the two certification exams, CompTIA A+ 220-1001 and CompTIA A+ 220-1002. Students will have up to 14 days after the completion of the classroom training to achieve CompTIA A+ certification.

Those who successfully complete the training but fail to obtain the CompTIA A+ certification within 14 days post instruction will receive a Fail (F) grade. Students who are dismissed from the program (involuntary exit after drop date) will receive a Withdraw (W) grade.

Students who apply and are approved for a leave of absence (see Leave of Absence policy for criteria and process) but who are not able to complete the classroom training in the assigned timeframe will receive a grade of Incomplete (I). Students who have not received an approved leave of absence and do not complete the classroom training will receive a Withdraw (W) grade.

Satisfactory Academic Progress Policy

The Satisfactory Academic Progress (SAP) Policy is designed to ensure that enrolled students have the ability to successfully complete their program. Satisfactory progress is defined as cumulative academic performance of 70% or above. As the program is a single course, the pace of completion is defined as successful completion within the program length.

EVALUATION PERIODS: At the end of each two-week period (25% program length), the students' cumulative academic progress is evaluated through graded assignments based on the program coursework and activities. Students are issued a progress report at the time of evaluation.

WARNING STATUS: Students whose cumulative academic performance is below 70% are notified by email and placed on a warning status until the next evaluation. Students on a warning status are encouraged to meet with their instructor and/or academic advisor.

- Students on a warning status who re-establish SAP at the next evaluation period, are notified by e-mail and removed from warning status.
- Students on a warning status who fail to re-establish SAP at the next evaluation period, are notified by e-mail and dismissed from the program.

APPEALS: Students who believe their warning status or dismissal was incorrectly determined based on their academic performance may appeal the decision. Appeals must be filed within one week of

notification, in writing, and include supporting documentation. Appeals must be submitted via email to the Academic Advisor at studentservices@comptia.org using the subject line "Attention: Academic Advisor – SAP Appeal." Appeals are limited to an error in the determination of the students' academic performance based upon completed assignments. Students will be notified as to the results of their appeal within one week.

Re-Enrollment: Students who are withdrawn from the program due to failure to maintain SAP or students whose cumulative academic performance is below 70% by the end of the program are not eligible to graduate. Students may choose to petition the institution for consideration of re-enrollment, but readmission is not guaranteed. See Student Readmission policy.

Transfer Credit: The school does not accept transfer students.

The following additional elements of Satisfactory Academic Progress (SAP) do not apply for enrollment in the program: Incomplete grades, course withdrawals, course repetitions, non-credit remedial course work, or transfer of credit from other institutions.

Job Placement Assistance, Career Services, and Other Student Services

Policy for Job Placement Assistance

CompTIA Tech Career Academy (CTCA) provides career services and job placement assistance to enrolled students and school graduates. CTCA does not guarantee placement or employment to its applicants, students, or graduates. CTCA instructors and staff are advised to ensure that no such guarantee is ever made or implied in any advertising, brochures, and statements to applicants, students, and graduates.

Job Placement Assistance

CTCA and the Career Services Team is dedicated to supporting students and graduates with career preparation, guidance, and job placement services. Throughout the program, the Career Services Managers will facilitate guest speakers, career prep workshops, mock interviews, and host a career fair to connect students with companies that are hiring for entry-level positions.

Resume and Cover Letter Review and Assistance

Resume and cover letter building topics and activities are built into IT-Ready Technical Support program curriculum. Students are also encouraged to meet with the Career Development Manager for additional assistance with their resumes and cover letters. The Career Development Manager will provide further edits, feedback, and recommendations to improve student resumes and cover letters. CTCA does not write or provide any prewritten resumes or cover letters for students and school graduates.

Tutoring

Students who need extra assistance because of academic difficulties may arrange for tutoring through their instructor, the Academic Advisor, or the Senior Manager, Academic Affairs. Tutoring is available by appointment only.

Student Conduct Policy

Students are expected to conduct themselves in a professional manner and to act, speak, and demonstrate respect to others while enrolled at CompTIA Tech Career Academy. Students are required to be aware of and abide by the following rules of conduct:

- Theft of company property or property of any CompTIA Tech Career Academy (CTCA) staff or fellow students may result in immediate termination from the program.
- Willful destruction of company property or property of CTCA staff or fellow students may result in immediate termination from the program.
- No alcohol or illegal drug consumption is allowed before or during classroom hours. Students who appear to be under the influence of illegal drugs or alcohol will be immediately terminated from the program. No possession, use, sale, or distribution of alcohol or illegal drugs on the school premises is permitted.
- Possession of any type of object that can reasonably be assumed to be a weapon or explosive device while on school premises will result in immediate termination from the program.
- Threatening, intimidating, or physically harming any CTCA staff, affiliate, or fellow student will result in immediate termination from the program.
- Disorderly conduct is forbidden on the school premises. This includes, but is not limited to, inappropriate, disrespectful, insulting and/or obscene language and lewd, indecent, or obscene conduct. Any discriminating or derogatory remarks or behavior against CTCA staff or another student in reference to religion, culture, race, sex, or sexual orientation are grounds for immediate termination from the program.
- Be friendly and respectful to your instructor, fellow participants, and CTCA staff members. Students should conduct themselves in a professional manner. Students who are deemed disruptive, argumentative, or otherwise unprofessional may face disciplinary action, up to and including termination from the program.
- Willful violation of safety rules and/or safety procedures that places students and/or CTCA staff in danger will result in immediate termination from the program.
- Inappropriate or unauthorized use of school technology is prohibited. Under no circumstances should a student enter websites with obscene or pornographic content. Internet usage is monitored internally and entering a website forbidden by this policy may result in immediate termination from the program.
- CTCA does not condone cheating in any form or the use of outside study materials. Students enrolled in the program will be provided approved study materials. Materials that are not approved by CompTIA or CTCA may not be correct or legal.
- CTCA strictly prohibits the piracy of software and the violation of piracy and copyright laws. CTCA reserves the right to dismiss students from the program who are found to be using the institution's equipment to illegally copy software or other copyrighted materials for their own gain. No student should attempt to copy, make available, or distribute copies of copyrighted material.

- While attending classroom sessions, students are required to dress in appropriate business casual attire. Flip-flops, sandals, and open-toed shoes should not be worn.
- All cellular devices must be muted or turned off and placed out of sight to avoid unnecessary disruptions in the learning environment. Students may use their cellular devices during breaks and lunch.
- No food is allowed in the classroom. Food is only allowed in the designated kitchen areas. Drinks are allowed in the classroom with a secure lid. Students are not allowed to congregate or have lunch in the common areas of the building unless they are designated for this use.

Student Probation, Suspension, or Expulsion

CompTIA Tech Career Academy (CTCA) reserves the right to dismiss students for activities detrimental to themselves, other students, instructors, and the school.

CTCA does not put students on probation or suspension if they do not act in accordance with institutional policies. Individuals who fail to comply with the program policies are subject to disciplinary actions, up to and including expulsion from the institution. Individuals who have been terminated from their program for Student Conduct Policy violations are ineligible for re-enrollment in the program.

Disciplinary Actions

Whenever it has been determined that good cause exists for student discipline, CompTIA Tech Career Academy (CTCA) will take appropriate disciplinary action. The Manager, Academic Affairs will review the incident details and shall have the right to dismiss the charge(s) of misconduct or recommend appropriate disciplinary action. The Chief Academic Officer shall review the recommended disciplinary action and then either affirm, modify, or dismiss the disciplinary action.

Disciplinary actions may include:

1. Verbal warning
2. Written warning
3. Removal by the instructor – removal from the class for good cause, for the remainder of the day’s class. The instructor’s decision is final and may not be appealed.
4. Termination of enrollment (expulsion) at CTCA, with or without the possibility of readmission.
5. Criminal prosecution – CTCA will refer to the local authorities for prosecution any criminal activity that occurs on CTCA premises. This is in addition to any other disciplinary action taken.

Students who are dismissed for misconduct may file an appeal using the procedures outline in the Grievance Policy.

Conditions for Discipline/Termination

Additionally, the following occurrences shall also be grounds for discipline, up to and including, termination of enrollment:

- | | |
|------------------------------------|-----------------------|
| 1. Non-payment of tuition | 3. Lack of attendance |
| 2. Failure to complete the program | 4. Missed assignments |

Cancellation and Refund Policy

Cancellation Policy

A full refund will be issued if the student is rejected for enrollment, the school cancels the program, or the student withdraws before the first day of class.

All refunds will be issued within 45 days of the student's notification of withdrawal or the school's determination of withdrawal, whichever is earliest.

1. Withdrawal Date

The withdrawal date is defined as the earliest of:

- A. The date the student notifies the school of their withdrawal.
- B. For a student who fails to return from an authorized Leave of Absence (LOA), the withdraw date is the date the student was scheduled to return.
- C. A student will be determined to be withdrawn from the institution if the student has not attended class for two (2) days.
- D. The date the school terminates the student's enrollment for failure to maintain academic progress, failure to abide by the rules and policies stated in the catalog, absences in excess of maximum set forth by the institution, and/or failure to meet financial obligations to the school.

2. Tuition Charges/Refunds

Refund amounts are based on a student's last date of attendance (LDA), and the percentage of the period of enrollment remaining for which the student was charged. The percentage of the period of enrollment remaining is calculated by dividing the number of weeks remaining in the period charged, after the student's last day of attendance, by the total number of weeks in the period. Weeks remaining are rounded down to whole weeks remaining (a partial week attended by the student is not included as a week remaining in the period charged).

After the commencement of classes, the tuition refund shall be determined as follows:

- A. If the student withdraws within the first twenty-five percent (25%) of the period of enrollment, a seventy-five percent (75%) refund will be issued.
- B. If the student withdraws after 25% and up to and including 50% of the period of enrollment for which the student was charged has elapsed, a pro-rata refund for the percentage of enrollment remaining, will be issued.
- C. After fifty percent (50%) of the period of enrollment for which the student was charged has elapsed, no refund will be issued.

Certification Exam Voucher Fees and Content Fees: Fees paid by the student for certification exam vouchers when no exam voucher has been issued to the student will be refunded in full. Certification exam vouchers are issued to students in the fifth week of the program. The student will not be required to purchase program content (i.e., books) until the time that these materials are required for the program. The program content is required at the start of class. Once these materials are purchased, no refund will be made.

Refunds: Refunds will be issued within 45 days of the date of student notification, or date of school determination (withdrawn due to absences or other criteria specified in the school catalog), or in the case of a student not returning from an authorized Leave of Absence (LOA), within 45 days of the date the student was scheduled to return from the LOA and did not return. Refunds are issued back to the source (person/organization) from which payment was received. Refunds for both involuntary and voluntary withdrawal will be calculated in the same manner.

Military Refund

Upon request of the student, the school shall:

1. Grant a full refund of tuition and registration fees to military reserve and National Guard personnel called to active duty or active duty personnel who have received temporary or permanent reassignments as a result of military operations that make it impossible for them to complete their course requirements; and
2. Buy back textbooks through the school's bookstore operations to the extent allowable under the school's buy back procedures.

Procedure for Program Withdrawal

1. A student choosing to withdraw from the school after the commencement of classes may provide notice to the Office of the Registrar. The notice should include the name of the program the student wishes to withdraw from, the reason for the withdrawal request, the student's full name, the student's telephone number, the student's address, and the expected last day of attendance.

Although any mode of withdrawal will be recognized, students are encouraged to submit the withdrawal notice to CTCA via email at records@comptiatech.org or via postal mail to:

CompTIA Tech Career Academy, Attn: Withdrawal Notice
3500 Lacey Road, Suite 100, Downers Grove IL 60515

2. For a student who is on authorized leave of absence (LOA), the withdraw date is the date the student was scheduled to return from the LOA and failed to do so.
3. A student will be determined to be withdrawn from the institution if the student has not attended class for two (2) or more days.
4. All refunds will be issued to the source from which tuition payment was received within 30 days of the determination of the withdrawal date.

Delinquent Tuition Collection

Once a student's account is past due, the student will be placed on a non-academic hold and withdrawn from the program. Students who are forced to involuntarily withdraw from the program will have their refund calculated in the same manner as a voluntary withdrawal. CompTIA Tech Career Academy will attempt to recover the funds from the student prior to turning the debt over to a collection agency.

CompTIA Tech Career Academy will take the following actions on delinquent accounts:

1. Student will be placed on a financial hold. The financial hold will prevent the student from registering for future programs, obtaining transcripts, and receiving the accredited certification.

2. Placement of student account with a licensed collection agency. Collection agencies may assess collection fees on the student account.
3. Assessment of litigation and court costs.
4. Student's delinquency will be reported to a national credit bureau.

Other Policies

Credit for Previous Experience

CompTIA Tech Career Academy does not offer credit for previous education, training, work, or life experience (experiential credit).

Transfer of Credits

Graduates of the IT-Ready Technical Support program will not be issued academic credits that can be transferred to other academic institutions. CompTIA Tech Career Academy does not accept academic credits issued by other academic institutions. As the IT-Ready Technical Support program is designed as a one-course program, the transferability of credits cannot be considered.

Transcripts

CTCA provides transcripts for our students upon submitting a request to records@comptiatech.org. Students may print an unofficial transcript of their transcript at any time by logging into the student portal (studentportal.comptiatech.org).

Official Transcripts cannot be emailed, they must be submitted to the receiver in a sealed envelope. CTCA must have specific authorization in writing from the student to send a transcript, official or unofficial, to a third party, such as a potential employer, current employer, or another school. Contact the Registrar's Office (records@comptiatech.org) for additional information on transcripts.

Confidentiality of Student Records

CompTIA Tech Career Academy (CTCA) complies with the Family Educational Rights and Privacy Act (FERPA) by protecting the confidentiality of personally identifiable educational records of students and former students.

The student has the following rights: the right to inspect and review his/her education records within 45 days of the day the school receives a request for access; the right to request an amendment of his/her education records that the student believes are inaccurate or misleading; the right to consent to disclosures of personal identifiable information (PII) contained in his/her education records except to the extent that FERPA authorizes disclosure without consent; and the right to file a complaint with the U.S. Department of Education concerning alleged failures by CTCA to comply with the requirements of FERPA. A health and safety exception permit the disclosure of PII from a student's record to appropriate parties if knowledge of the information is necessary to protect the health or safety of the student or other individuals from an immediate threat.

Course Cancellation

If a scheduled IT-Ready Technical Support program cohort is cancelled, a full refund of tuition, fees, and other charges will be issued to the source from which the tuition payment was received.

Grievance Policy

Every student is encouraged to discuss his or her concerns or complaints with his/her Academic Advisor or the CTCA instructor or staff member most able to assist the student in resolving the matter. If, however, the student is not satisfied with the result of these efforts, then the student may pursue a formal grievance by following the procedure below:

1. File a grievance in writing or via email with CTCA describing the basis of the complaint in sufficient detail to allow an investigation under this procedure. The complaint should also include the student's name, telephone number, email address, mailing address, and the date of the complaint.
2. Once CTCA receives the time-stamped email or the postmarked letter, the Chief Academic Officer (CAO) or designee will schedule an appointment with the student within three (3) working days to discuss the complaint.
3. The CAO or designee will confirm the completion of the investigation with a time-stamped written report of the disposition of the complaint mailed to the student within five (5) working days of the first meeting with the student.
4. If the student is not satisfied with the CAO or designee's report of disposition of the complaint, the student may appeal this result in writing to the Chief Executive Officer (CEO) of CTCA within 10 working days of receipt. The appeal letter must include a copy of the written disposition report and an explanation why the student is not satisfied with that outcome.
5. The CEO or designee will review the written disposition report and the student's appeal letter and will conduct any further investigation necessary, including requesting additional information from the student or CAO.
6. The CEO or designee will provide both the student and the CAO with a written appeal finding mailed within 10 working days of the receipt of the appeal letter. This written decision is the final disposition of the complaint.

Complaints should be submitted via email to studentgrievances@comptiatech.org or in writing to the following address: CompTIA Tech Career Academy, Attn: Complaint Department
3500 Lacey Road, Suite 100, Downers Grove, IL 60515

Students will not be subject to any unfair action and/or treatment by any CTCA school official as a result of the initiation of a complaint.

North Carolina

If the complaint cannot be resolved after exhausting the institution's grievance procedure, the student may file a complaint with the North Carolina Community College System, Office of Proprietary School Licensing and Services.

NORTH CAROLINA COMMUNITY COLLEGE SYSTEM
Office of Proprietary Schools
