

Grievance Policy

Every student is encouraged to discuss their concerns or complaints with their CompTIA Tech Career Academy (CTCA) instructor, Student Success Manager, or other staff member most able to assist the student in resolving the matter. If, however, the student is not satisfied with the result of these efforts, then the student may pursue a formal grievance by following the procedure below:

1. File a grievance in writing or via email describing the basis of the complaint in enough detail to allow an investigation under this procedure. The complaint should also include the student's name, telephone number, email address, mailing address, and the date of the complaint.
2. Once CTCA receives the time stamped email or the postmarked grievance, the Director of Admissions or designee will schedule an appointment with the student within three (3) working days to discuss the complaint.
3. The Director of Admissions or designee will confirm the completion of the investigation with a time-stamped written report of the disposition of the complaint mailed to the student within five (5) working days of the first meeting with the student.
4. If the student is not satisfied with the Director of Admissions or designee's report of disposition of the complaint, the student may appeal this result in writing to the Chief Academic Officer of CTCA within ten (10) working days of receipt. The appeal letter must include a copy of the written disposition report and an explanation why the student is not satisfied with that outcome.
5. The Chief Academic Officer or designee will review the written disposition report and the student's appeal letter and will conduct any further investigation necessary, including requesting additional information from the student or Director of Admissions.
6. The Chief Academic Officer or designee will provide both the student and the Director of Admissions with a time-stamped written appeal finding mailed within ten (10) working days of the receipt of the appeal letter. This written decision is the final disposition of the complaint.

Complaints should be submitted in email to studentgrievances@comptiatech.org or in writing to the following address: CompTIA Tech Career Academy Attn: Complaint Department
3500 Lacey Road, Suite 100 Downers Grove, IL 60515

Students will not be subject to any unfair action and/or treatment by any CTCA school official as a result of the initiation of a complaint.
