State Authorization

CompTIA Tech Career Academy is licensed as a private career school with the Minnesota Office of Higher Education pursuant to Minnesota Statutes, sections 136A.821 to 136A.832. Licensure is not an endorsement of the institution. Credits earned at the institution may not transfer to all other institutions.

Accreditation

CompTIA Tech Career Academy is not an institution that has received accreditation from an accrediting body recognized by the U.S. Department of Education.

CTCA Board Officials:

Charles Eaton, CEO of CompTIA Tech Career Academy, Creating IT Futures Foundation
Courtney Fong, Chief Legal Officer & Chief Privacy Officer/ Board Secretary
Brian Laffey, Chief Financial Officer/Board Treasurer
Todd Thibodeaux, Board Chair and CEO of CompTIA

CTCA Staff:

Kathy Brennan, National Director, Career Services
Caroline Conlon, Manager, Student Accounting
Lisa Fasold, Senior Director, Marketing & Communications
Chad Green, Digital Media Coordinator
Chrissy Hannon, Registrar
Kate Kirschner, Career Services Manager, Minnesota
Stacy Litwin, Academic Advisor
Tracie Micheff, Admissions Advisor
Kathy Mrazek, Admissions Advisor & Alumni Service Manager
Karin Nordmeyer, Specialist, Librarian
Lauren Pierce, Manager, Office of Admissions
Ben Rohling, Senior Manager, Academic Affairs
Joelle Szyszka, Manager, Faculty Affairs
Adam Turner, Chief Academic Officer
Sue Wallace, VP, Student and Career Services

CTCA Instructors:

See Addendum 1 for a list of institutional instructors and program(s) taught
History

As the philanthropic arm of CompTIA, Creating IT Futures Foundation (CITF) is a nonprofit organization that was founded in 1998 and provides educational training and certification opportunities to those who seek an upwardly mobile career in the IT field. The IT-Ready Technical Support program, which has been operating since 2012, was designed to help unemployed and under-employed individuals improve their lives through tech careers. CompTIA Tech Career Academy (CTCA) is the name of an institution established under CITF that offers IT-Ready Technical Support programming.

Mission

Our mission is to unlock people’s potential by helping them launch and grow their careers in information technology.

Location, Headquarters, and Hours of Operation

Edina (Twin Cities) Branch Campus

Location: The CTCA Twin Cities campus is located at 7505 Metro Blvd., Suite 430, Edina MN 55439. The campus is on the fourth floor of a six-story building at the intersection of Highway 100 and 494, which is southwest of Minneapolis.

Hours of Operation: 8:30 AM to 4:30 PM Central Time (CT), Monday through Friday. Closed Saturdays, Sundays, and major holidays.

Phone number: 866-251-4487, extension 2.

Headquarters (Downers Grove)

CompTIA Tech Career Academy is headquartered at 3500 Lacey Road, Suite 100, Downers Grove, IL 60515.

Hours of Operation: 8:30 AM to 4:30 PM Central Time (CT), Monday through Friday. Closed Saturdays, Sundays, and major holidays.

Phone number: 866-251-4487.
Facilities & Equipment

Edina (Twin Cities) Branch Campus

The IT-Ready Technical Support program is located at 7505 Metro Blvd., Suite 430, Edina MN 55439. Each program session can accommodate up to 25 students and one instructor per class. Students have access to a computer, the internet, and required software (Microsoft Office) for classroom assignments and labs. The standard computer equipment available for students to utilize while enrolled in the program includes:

- 64-bit Windows operating system (Windows 7 or 10 professional or above)
- Intel i5 processor (or equivalent)
- CPU with VT, VT-x or similar virtualization support
- 8 GB RAM
- 500 GB HDD or SDD
- Microsoft Office 2016

IT-Ready Technical Support Program

Program Description

The IT-Ready Technical Support program is an eight-week classroom-based program which consists of 240 clock hours of classroom instruction. This program prepares students to take and pass the CompTIA A+ certification examinations (CompTIA A+ 220-1001 and CompTIA A+ 220-1002). Successful program completers will earn their CompTIA A+ certification and a CTCA Certificate of Completion. This program prepares students for a Computer User Support Specialist or equivalent entry-level IT help desk role (CIP Code 11.1006, O-NET Number 15-1151.00).

This program teaches curriculum to students for CompTIA A+ certification; students receive this certification from a third party through an examination process. The cost of the program includes tuition, instruction, content, a CompTIA A+ 220-1001 Core 1 examination voucher, and a CompTIA A+ 220-1002 Core 2 examination voucher (and one retake voucher for each examination, if necessary).

CompTIA A+ 220-1001 covers PC hardware and peripherals, mobile device hardware, networking and troubleshooting hardware and network connectivity issues. CompTIA A+ 220-1002 covers installing and configuring operating systems including Windows, iOS, Android, Apple OS X, and Linux. It also addresses security, the fundamentals of cloud computing, and operational procedures.

Individuals who successfully complete the eight-week training program and achieve their CompTIA A+ certification have the opportunity to apply to jobs that our partners offer; CompTIA Tech Career Academy does not guarantee job placement after successful completion of the program.

Graduation Requirements

To graduate from the IT-Ready Technical Support program, students must be in good standing and complete the program with a passing grade (defined as having achieved 70% or higher cumulative score on graded coursework in the program). Students cannot have more than one absence and three tardies throughout the duration of the program. Graduates of the program will be awarded a Certificate of Completion.

A Pass (P) final grade will be based on the combination of successful completion of the program hours/coursework and the achievement of the CompTIA A+ certification. The CompTIA A+ certification is awarded to those who take and pass the two certification exams, CompTIA A+ 220-1001 and CompTIA A+ 220-1002. Students will receive one certification voucher (with one retake) per exam. Students will have up to 14 days after the completion of the classroom training to achieve CompTIA A+ certification.

Students who successfully complete the program hours but fail to successfully obtain the CompTIA A+ certification within 14 days post instruction will receive a Fail (F) grade and will not graduate from the program.
**Failure to Complete Program**

A student fails to complete the IT-Ready Technical Support program if he or she does not satisfactorily complete their program hours/coursework and pass their certification exams within 14 days of the end of classroom instruction.

Students who fail to complete the program may reapply. Refer to the Student Readmission policy for more information.

**Equipment, Technology, and Materials**

Computer equipment is provided to each student in the IT-Ready Technical Support program for classroom use only. Any software required for the program will be provided by CTCA at no cost to the student. This software is provided under licenses that allow for its use only in pursuit of the program.

Students are expected to provide their own pens, pencils, note-taking materials, etc. for use in the program.

</table>
| **Skill/Job to be Learned and Learning Objectives** | This program prepares students for a Computer User Support Specialist or equivalent entry-level IT help desk role (CIP Code 11.1006, O-NET Number 15-1151.00). By the completion of the program, students should be able to understand the following topics:  
  - **Security**: Support and secure access to data by properly using authentication, access control, and encryption for an organization.  
  - **Networking**: Apply core concepts and protocols and subnet mask to set up and support wired and wireless networks.  
  - **Operating systems**: Troubleshoot mobile, server, and traditional operating systems ranging from Android and iOS to Windows and Linux.  
  - **IT Operations**: Use the basics of virtualization, cloud computing, desktop imaging, and deployment to support today’s IT infrastructures.  
  - **Troubleshooting**: Use decision trees for diagnosing, resolving, and documenting common hardware and software issues across a variety of devices.  
  - **Technical Support**: Apply principles of customer service to help resolve IT issues. |
| **Certification Requirements** | Students are required to achieve CompTIA A+ certification in order to be considered a successful program graduate and to earn a Pass grade in the IT-Ready Technical Support program. Students will have up to 14 days after the completion of the program training to achieve CompTIA A+ certification. The program prepares graduates to earn their CompTIA A+ certification by completing program coursework and reviewing test prep materials for certification. Refer to the program curriculum outline for a detailed listing of the materials that will be covered and the assessments that will be completed as part of the IT-Ready Technical Support program. Students are issued a voucher for each of the two sections of the CompTIA A+ certification examinations, as well as one retake voucher per exam (vouchers are included in the total cost of the program). Students must register their own accounts and schedule their own exam with Pearson VUE ([https://home.pearsonvue.com/](https://home.pearsonvue.com/)). |
| **Grading System** | **Rating** | **Letter Grade**  
 Pass | P  
 Fail | F |
A Pass grade is defined as having achieved 70% or higher cumulative score on graded coursework in the program.

### Graded Elements

The IT-Ready Technical Support program grading is Pass/Fail. CompTIA Tech Career Academy monitors student progress frequently and provides feedback to students over the course of the program. Students will be required to complete a variety of activities, including quizzes, knowledge checks, and mock exams, that will be reviewed and graded to ensure that the students are progressing through the program appropriately.

A passing final grade for the IT-Ready Technical Support program will be based on the combination of successful completion of the program clock hours/coursework and the achievement of the CompTIA A+ certification. A student fails to complete the IT-Ready Technical Support program if he or she does not satisfactorily complete their program hours and pass their certification exams within 14 days of the end of classroom instruction.

### Admissions Requirements

Prospective IT-Ready Technical Support program students must meet the following enrollment or entrance requirements:

- Be at least be 18 years of age
- High School graduate or holder of GED
  - Must be able to provide proof, copy of transcripts or diploma
- Eligible to work in the United States
- Able to provide a valid government issued photo identification or driver’s license
  - Please see Appendix A for a list of acceptable documents to establish identity and employment eligibility
- Participate in an online interview
- Take an aptitude test and achieve the minimum acceptable score
- Able to speak, read/write and understand the English language
- Able to use a computer to navigate in the Windows environment
Aptitude Test Requirement

The Wonderlic test is an aptitude test that is used to determine an individual’s ability/potential to succeed in a certain task, with no prior knowledge or training. Prospective students must achieve the minimum acceptable score of 19. Prospective students are permitted one (1) retake of the Wonderlic test after 30 days following the original test date.

Language Requirements

IT-Ready Technical Support program sessions are offered in the English language. CTCA does not offer English as a Second Language (ESL). The student must be able to speak, read/write and understand the English language to enroll in any CTCA program. The student’s signature on the enrollment agreement signifies that they attest to their ability to be able to speak, read/write, and understand the English language. In addition, CTCA verifies English Language skills through the admissions process.

Online Interview

Students who miss or do not show for their online interview with CTCA two (2) times will not be considered for the program cohort they have been attempting to enroll into.

Special Needs Accommodations

Any prospective student who has a special needs request or accommodation must submit the request in writing via email or portal mail (along with any supporting documentation) to the Manager, Office of Admissions at least six weeks prior to enrollment to determine if the school can accommodate the request.

Accommodation requests should be submitted to the Manager, Office of Admissions at admissions@comptiatech.org or via postal mail to:

CompTIA Tech Career Academy ATTN: Manager, Office of Admissions
3500 Lacey Road, Suite 100
Downers Grove, IL 60515

Non-discrimination Policy

CompTIA Tech Career Academy (CTCA) will not discriminate for or against any applicant on the basis of race, color, religion, sex (including pregnancy, childbirth, and related medical conditions, transgender status, gender identity), national origin (including Limited English Proficiency [LEP]), age, disability, political affiliation or belief, or, for beneficiaries, applicants, and participants only on the basis of either citizenship status or participation.
Application Procedure

Prospective students who are interested in enrolling in the IT-Ready Technical Support program must submit an application through the CTCA website (www.comptiatech.org). Both modalities of the IT-Ready Technical Support program have ongoing enrollment throughout the year, and application deadline dates will vary by scheduled cohort. Students can refer to the CTCA website to view the upcoming program schedule in their area. Prospective students will be required to provide proof of high school completion or a GED and a valid government issued photo identification or driver’s license. Eligible applicants who have requested financial assistance in the application will be required to provide certain documents in order to continue with the financial assistance process (e.g., W-2 forms, pay stubs, public assistance documentation).

Following submission of the application, applicants will receive an invitation to take an aptitude test online. The Wonderlic aptitude test is used to determine an individual’s ability/potential to succeed in a certain task, with no prior knowledge or training. Applicants must achieve a passing score of at least 19 in order to proceed in the application process. All Applicants are notified of their testing results via email, including if they did not achieve the minimum required score. Applicants who achieve the minimum required score will be contacted via email by Admissions to arrange their virtual interview.

During the interview, an Admissions Advisor will review information about the IT-Ready Technical Support program with the prospective student. Admissions Advisors will evaluate the prospective student’s overall interest in the program, his or her communication skill level, and general computer knowledge using a scaled rubric.

Admissions will review the student’s application, Wonderlic score, and interview results and inform the prospective student if they are eligible to proceed with the application process or if they have been denied entry into the program. Applicants are notified if they are being offered a seat in a class by being sent an ‘Offer Email’ after completing the virtual interview. Email notifications are also sent to those applicants who are not being offered a seat in class. Emails are sent for offers and denial notices with 2-3 business days after the virtual interview.

Enrollment Dates

The IT-Ready Technical Support program has ongoing enrollment throughout the year, and prospective students can apply anytime. Individuals interested in participating in the IT-Ready Technical Support program must complete an online application at www.comptiatech.org as the first step of the enrollment process.

Reapplication Process

Applicants who are denied admissions into a program and inquire about reapplying with Admissions are permitted to reapply for the next scheduled cohort session. Applicants may contact Admissions at admissions@comptiatech.org. Applicants who are denied admissions due to not meeting the minimum required score level for the Wonderlic test are allowed to reapply and retest after 30 days.
**Tuition, Fees, and Other Costs**

The total cost of the IT-Ready Technical Support program is $8,500.00. The cost of the program includes tuition, instruction, program content (books), a CompTIA A+ 220-1001 Core 1 examination voucher, and a CompTIA A+ 220-1002 Core 2 examination voucher (and one retake voucher for each examination, if necessary).

**Tuition**

Tuition for the IT-Ready Technical Support program is $8,120.00.

**Application Fees and Administrative Costs for Withdrawal or Termination**

CompTIA Tech Career Academy does not charge students a fee for application to or withdrawal or termination from the institution.

**Books, Virtual Labs, and Other Materials**

The content fee for the IT-Ready Technical Support program is $120.00. This includes two books: The Official CompTIA A+ Core 1 Self-Paced Study Guide for 220-1001 and The Official CompTIA A+ Core 2 Self-Paced Study Guide for 220-1002.

**Equipment and Software**

Computer equipment is provided to each student in the IT-Ready Technical Support program for classroom use only. Any software required for the classroom-based program will be provided by CTCA at no cost to the student. This software is provided under licenses that allow for its use only in pursuit of the program.

**Lab Fees and Service Charges**

CompTIA Tech Career Academy does not charge any lab fees or service charges.

**Supplies**

Students are expected to provide their own pens, pencils, note-taking materials, etc. for use in the IT-Ready Technical Support program.

**Certification Exam Vouchers**

Students must successfully pass the CompTIA A+ 220-1001 Core 1 examination and the CompTIA A+ 220-1002 Core 2 examination within 14 days after completing their training in order to pass the IT-Ready Technical Support program. The $260.00 voucher fee covers the cost of exam vouchers that will be issued to students in the third week of the program.
Students must register their own accounts and schedule their own exam with Pearson VUE (https://home.pearsonvue.com/). See CompTIA Tech Career Academy’s Certification Exam Policy (https://certification.comptia.org/testing/test-policies) for more information.

Payment of Tuition and Fees

Tuition and fees must be paid in full at least 14 days prior to the start of class. Tuition and fees for the IT-Ready Technical Support program includes instruction, content (books), the CompTIA A+ 220-1001 Core 1 examination voucher and the CompTIA A+ 220-1002 Core 2 examination voucher (and one retake voucher for each examination). Tuition and fees must be paid using PayPal. Payments can be made using a credit card, eCheck, or checking account that has been linked with PayPal.

A payment plan is available through PayPal and consists of two installments. The first payment (50% of the total) is due 14 days prior to the start of the class, with the remaining balance due five (5) business days after the program cohort begins. Once the account is past due, the student will be placed on a non-academic hold and is withdrawn from the program.

CompTIA Tech Career Academy (CTCA) is partnered with UNISA, a student loan provider/servicer to offer institutional student loans to qualifying students. Students interested in applying for a student loan should contact CTCA Financial Aid staff at financialaid@comptiatech.org.

CompTIA Tech Career Academy will attempt to recover the funds from the student prior to turning the debt over to a collection agency. Students who are forced to involuntarily withdraw from the program will have their refund calculated in the same manner as a voluntary withdrawal.
Grants

Some students will need help paying tuition. Financial assistance—up to the full tuition amount—is available through grants from our generous donor organizations, including CompTIA and Creating IT Futures Foundation. Private foundations help to support students at specific campus locations.

CompTIA Grants

CompTIA Grants are available to students who qualify in at least one of the following categories:

- **$1,000**: Individuals who have been historically under-represented in the tech industry (African Americans, Hispanic/LatinX and Native Americans);
- **$1,000**: U.S. military veterans, their spouses, or caregivers;
- **$1,000**: Women;
- **Partial tuition amount (50%)**: Annual income above 200% but below 300% of the federal poverty threshold.
- **Full tuition amount**: Annual income at or below 200% of the federal poverty threshold.

Applicants must be a U.S. citizen or eligible non-citizen with authorization to work in the U.S. Applicants must meet all other eligibility requirements. Eligible applicants who have requested financial assistance will be required to provide certain documents (e.g., W-2 forms, pay stubs, public assistance documentation) in order to continue with the financial assistance process.

The grants do not have any monetary value and CTCA can only apply the grant to students’ accounts for tuition charges incurred.

During the admissions process, if a student requests financial assistance and s/he qualifies for a full or partial grant, it is the student’s responsibility to obtain documentation required for the award 14 days prior to the start of the class.

Attendance Policies

Program attendance is an essential part of the educational process at CompTIA Tech Career Academy, and students are expected to attend each classroom session on time in order to facilitate their academic success. Attendance will be monitored and recorded daily throughout the program.

Absences

Students are permitted one (1) absence while enrolled in the IT-Ready Technical Support program. An absence is defined as missing more than 50% of a single day’s class. Students are required to make-up the work they missed due to an absence; see Make-up Work Policy.
Consecutive Absences

A student who is absent for two (2) or more consecutive days without an approved leave of absence will be withdrawn from the IT-Ready Technical Support program.

Tardiness/Early Departure

Students are expected to be on time for each class session. Students will be considered tardy anytime they miss class due to arriving late or leaving early. Students are permitted up to three (3) tardies while enrolled in the IT-Ready Technical Support program. Acquiring four (4) tardies will be cause for withdrawal from the program.

Tracking Attendance

Instructors for the IT-Ready Technical Support program will take attendance at the start of the class in the morning, upon return from each scheduled break, and at the end of the day. Instructors submit the attendance records twice daily to the Academic Advisor – once in the morning and once in the afternoon.

Make-up Work

Students are required to complete missing assignments if they are absent. Make-up work for an absence must be prearranged with the IT-Ready Technical Support program instructor and must be completed outside of normally scheduled class hours. Students must complete the make-up work within one calendar week of the date of their absence. Making up work does not eliminate an absence, and any additional absences will be cause for withdrawal from the program.

Leave of Absence

A leave of absence (LOA) may be granted to a student if s/he faces certain conditions that are beyond his or her control. Such conditions include military deployment, jury duty, and medical leave. Documentation is required for all leave of absence requests.

A LOA may be permitted when a student faces certain life events, such as military deployment, jury duty, serious illness, debilitating injury, or a death in the immediate family. Any student who seeks a leave of absence must complete a Leave of Absence form (available on the CompTIA Tech Career Academy website at www.comptiatech.org) and submit the form via email to studentservices@comptiatech.org. A reason for the request and the expected timeframe of leave must be clearly identified on the form so the institution has a reasonable expectation of the student’s return.

Students should submit the request prior to the beginning date of the LOA, unless unforeseen circumstances prevent a student from doing so. Corroborating documentation may be required. If a student does not request a LOA within a timeframe consistent with the CompTIA Tech Career Academy Absence Policy, s/he will be withdrawn from the program. Any refunds for a withdrawal will be issued per state requirements.
For a LOA to be granted to a student, CompTIA Tech Career Academy must have a reasonable expectation that the student will return to the program at the end of a LOA. The granting, denial, and duration of a leave of absence will be done on a case-by-case basis at the sole discretion of CompTIA Tech Career Academy.

A leave of absence is limited to a maximum of 180 calendar days. Multiple LOAs may be permitted. An approved LOA may be extended for an additional period provided the extension request meets the above requirements, and the total length of the LOA does not exceed 365 calendar days.

A student returning from a LOA will need to contact his/her Academic Advisor or studentservices@comptiatech.org to re-enroll and start from the beginning of a new cohort. Students returning from a LOA will not be required to pay the cost of tuition and fees for the enrolled program a second time. Students. Students who fail to re-enter the program at the end of an approved LOA will be withdrawn from the program.

**Student Readmission**

Students who have previously withdrawn from CompTIA Tech Career Academy, have been dropped from their academic program, or did not receive a passing grade in their respective program may choose to petition the institution for consideration of re-enrollment. In order to be considered for reenrollment, individuals must complete a new application in its entirety.

**Requirements for Consideration of Readmission**

1. Update application in the SONIS student portal (studentportal.comptiatech.org).
2. If an applicant previously requested financial assistance and was awarded a grant, s/he would need to request that assistance again in the updated application. There are no guarantees an applicant will be awarded another grant.
3. The applicant must submit an essay with a minimum of 250 words detailing his/her academic and career goals, how CTCA can assist with attaining these goals, if any obstacles were encountered during the previous enrollment (e.g., academic, personal and/or scheduling difficulties), and how such obstacles to academic success will be addressed and overcome given the opportunity for readmission at CTCA.
   - All essay submissions must be emailed to admissions@comptiatech.org and include the subject line of ATTN: Manager, Office of Admissions – Readmissions Request.
4. Applicants will be required to complete an online interview with the Manager, Office of Admissions once their essay has been reviewed.
5. All outstanding balances must be paid in full and the applicant is responsible, whether through grants and/or self-pay, for the full amount of the course if readmitted.

Once an applicant has completed all the readmission requirements, the Manager, Office of Admissions will review the essay along with the applicant’s previous academic history, attendance record, and reason for prior program departure.

Each readmission request will be reviewed on a case-by-case basis. A student is not guaranteed readmission into the CompTIA Tech Career Academy.
Should an applicant be approved for readmission into the program, s/he will start that program over again from the beginning. No prior coursework or progress will be transferred to the current program. Students who are readmitted to the IT-Ready Technical Support program will not be required to pay the $120.00 content fee for the two required books a second time. Students who are readmitted to the program will be required to pay the cost of tuition and the $260.00 fee for certification exam vouchers.

**Grading System**

The IT-Ready Technical Support program grading is Pass/Fail. CompTIA Tech Career Academy monitors student progress frequently and provides feedback to students over the course of the program. Students will have a variety of activities, including quizzes, knowledge checks, and mock exams, that will be reviewed and graded to ensure that the students are progressing appropriately. Students must achieve a cumulative score of 70% or higher on the graded assignments.

A Pass (P) final grade for the IT-Ready Technical Support program will be based on the combination of successful completion of the program clock hours and the achievement of the CompTIA A+ certification. Students who successfully complete the program are awarded a Certificate of Completion. The CompTIA A+ certification is awarded to those who take and pass the two certification exams, CompTIA A+ 220-1001 and CompTIA A+ 220-1002. Students will have up to 14 days after the completion of the classroom training to achieve CompTIA A+ certification.

Those who successfully complete the training but fail to obtain the CompTIA A+ certification within 14 days post instruction will receive a Fail (F) grade.

Students who apply and are approved for a leave of absence (see Leave of Absence policy for criteria and process) but who are not able to complete the classroom training in the assigned timeframe will receive a grade of Incomplete (I). Students who have not received an approved leave of absence and do not complete the classroom training will receive a Withdraw (W) grade.

**Satisfactory Academic Progress Policy**

The Satisfactory Academic Progress (SAP) Policy is designed to ensure that enrolled students have the ability to successfully complete their program. Satisfactory progress is defined as cumulative academic performance of 70% or above. As the program is a single course, the pace of completion is defined as successful completion within the program length.

**EVALUATION PERIODS:** At the end of each two week period (25% program length), the students’ cumulative academic progress is evaluated through graded assignments based on the program coursework and activities.

**WARNING STATUS:** Students whose cumulative academic performance is below 70% are notified by email and placed on a warning status until the next evaluation. Students on a warning status are encouraged to meet with their instructor and/or academic advisor.

- Students on a warning status who re-establish SAP at the next evaluation period are notified by e-mail and removed from warning status.
- Students on a warning status who fail to re-establish SAP at the next evaluation period are notified by email and dismissed from the program.

**APPEALS:** Students who believe their warning status or dismissal was incorrectly determined based on their academic performance may appeal the decision. Appeals must be filed within one week of notification, in writing and include supporting documentation. Appeals must be submitted to the Academic Advisor via email. Appeals are limited to an error in the determination of the students’ academic performance based upon completed assignments. Students will be notified as to the results of their appeal within one week and any decision rendered by CTCA is final.

**Re-Enrollment:** Students who are withdrawn from the program due to failure to maintain SAP or students whose cumulative academic performance is below 70% by the end of the program, are not eligible to graduate. Students may choose to petition the institution for consideration of re-enrollment, but readmission is not guaranteed. See Student Readmission policy.

**Transfer Students:** The school does not accept transfer students.

The following additional elements of Satisfactory Academic Progress (SAP) do not apply for enrollment in the program: Incomplete grades, course withdrawals, course repetitions, non-credit remedial course work, or transfer of credit from other institutions.

**Job Placement Assistance and Career Services**

**Policy for Job Placement Assistance**

CompTIA Tech Career Academy (CTCA) provides career services and job placement assistance to enrolled students and school graduates. CTCA does not guarantee placement or employment to its applicants, students, or graduates. CTCA instructors and staff are advised to ensure that no such guarantee is ever made or implied in any advertising, brochures, and statements to applicants, students, and graduates.

**Job Placement Assistance**

CTCA and the Career Services Team is dedicated to supporting students and graduates with career preparation, guidance, and job placement services. Throughout the program, the Career Services Managers will facilitate guest speakers, career prep workshops, mock interviews, and host a career fair to connect students with companies that are hiring for entry-level positions.

**Resume and Cover Letter Review and Assistance**

Resume and cover letter building topics and activities are built into IT-Ready Technical Support program curriculum. Students are also encouraged to meet with the Career Development Manager for additional assistance with their resumes and cover letters. The Career Development Manager will provide further edits, feedback, and recommendations to improve student resumes and cover letters. CTCA does not write or provide any prewritten resumes or cover letters for students and school graduates.
Tutoring

Students who need extra assistance because of academic difficulties may arrange for tutoring through their instructor, the Academic Advisor, or the Senior Manager, Academic Affairs. Tutoring is available by appointment only and can be coordinated directly with the Academic Advisor.

Student Conduct Policy

Students are expected to conduct themselves in a professional manner and to act, speak, and demonstrate respect to others while enrolled at CompTIA Tech Career Academy (CTCA). Students are required to be aware of and abide by the following rules of conduct:

- Theft of company property or property of any CTCA staff or fellow students may result in immediate termination from the program.
- Willful destruction of company property or property of CTCA staff or fellow students may result in immediate termination from the program.
- No alcohol or illegal drug consumption is allowed before or during classroom hours. Students who appear to be under the influence of illegal drugs or alcohol will be immediately terminated from the program. No possession, use, sale, or distribution of alcohol or illegal drugs on the school premises is permitted.
- Possession of any type of object that can reasonably be assumed to be a weapon or explosive device while on school premises will result in immediate termination from the program.
- Threatening, intimidating, or physically harming any CTCA staff, affiliate, or fellow student will result in immediate termination from the program.
- Disorderly conduct is forbidden on the school premises. This includes, but is not limited to, inappropriate, disrespectful, insulting and/or obscene language and lewd, indecent, or obscene conduct. Any discriminating or derogatory remarks or behavior against CTCA staff or another student in reference to religion, culture, race, sex, or sexual orientation are grounds for immediate termination from the program.
- Be friendly and respectful to your instructor, fellow participants, and CTCA staff members. Students should conduct themselves in a professional manner. Students who are deemed disruptive, argumentative, or otherwise unprofessional may face disciplinary action, up to and including termination from the program.
- Willful violation of safety rules and/or safety procedures that places students and/or CTCA staff in danger will result in immediate termination from the program.
- Inappropriate or unauthorized use of school technology is prohibited. Under no circumstances should a student enter websites with obscene or pornographic content. Internet usage is monitored internally and entering a website forbidden by this policy may result in immediate termination from the program.
- CTCA does not condone cheating in any form or the use of outside study materials. Students enrolled in the program will be provided approved study materials. Materials that are not approved by CompTIA or CTCA may not be correct or legal.
• CTCA strictly prohibits the piracy of software and the violation of piracy and copyright laws. CTCA reserves the right to dismiss students from the program who are found to be using the institution’s equipment to illegally copy software or other copyrighted materials for their own gain. No student should attempt to copy, make available, or distribute copies of copyrighted material.
• While attending classroom sessions, students are required to dress in appropriate business casual attire. Flip-flops, sandals, and open-toed shoes should not be worn.
• All cellular devices must be muted or turned off and placed out of sight to avoid unnecessary disruptions in the learning environment. Students may use their cellular devices during breaks and lunch.
• No food is allowed in the classroom. Food is only allowed in the designated kitchen areas. Drinks are allowed in the classroom with a secure lid. Students are not allowed to congregate or have lunch in the common areas of the building unless they are designated for this use.

**Student Probation, Suspension, or Expulsion**

CompTIA Tech Career Academy (CTCA) reserves the right to dismiss students for activities detrimental to themselves, other students, instructors, and the school.

CTCA does not put students on probation or suspension if they do not act in accordance with institutional policies. Individuals who fail to comply with the program policies are subject to disciplinary actions, up to and including expulsion from the institution. Individuals who have been terminated from their program for Student Conduct Policy violations are ineligible for re-enrollment in the program.

**Disciplinary Actions**

Whenever it has been determined that good cause exists for student discipline, CTCA will take appropriate disciplinary action. The Senior Manager, Academic Affairs will review the incident details and shall have the right to dismiss the charge(s) of misconduct or recommend appropriate disciplinary action. The Chief Academic Officer shall review the recommended disciplinary action and then either affirm, modify, or dismiss the disciplinary action.

Disciplinary actions may include:

1. Verbal warning
2. Written warning
3. Removal by the instructor – removal from the class for good cause, for the remainder of the day’s class. The instructor’s decision is final and may not be appealed.
4. Termination of enrollment (expulsion) at CTCA, with or without the possibility of readmission.
5. Criminal prosecution – CTCA will refer to the local authorities for prosecution any criminal activity that occurs on CTCA premises. This is in addition to any other disciplinary action taken.
Conditions for Discipline/Termination

Additionally, the following occurrences shall also be grounds for discipline, up to and including, termination of enrollment:

1. Non-payment of tuition
2. Failure to complete the program
3. Lack of attendance
4. Missed assignments

Cancellation and Refund Policy

Buyer’s Right to Cancel

If your application is rejected, you will receive a full refund of all tuition, fees, and other charges. You will be entitled to a full refund of tuition, fees, and other charges if you give notice that you are cancelling your contract within five business days after the contract or enrollment agreement is considered effective. A contract or enrollment agreement will be presumed to effective on the date of that the institution notifies you that you have been accepted into the institution and you have signed the contract or enrollment agreement. If the notification of acceptance into the institution is sent by mail, then the effective day of being accepted is the postmark on the acceptance letter.

This five-day refund policy applies regardless of when the program starts. If you give notice more than five days after you signed the contract, but before the start of the program (or first lesson for an online distance education program), you will receive a refund of all tuition, fees, and other charges minus 15%, up to $50, of the total cost of the program. You will be provided a prorated tuition, fees, and other charges refund minus 25%, up to $100 administrative if you give notice of your withdrawal after your program has begun, but before 75% program has completed. If you withdraw from your program after 75% of the program has completed, you are not entitled to a refund of tuition, fees, and other charges.

You will receive written notice acknowledging your withdraw request within 10 business days after receipt of the notice and you will receive a refund of any tuition, fees, and other charges within 30 business days of receipt of your withdrawal. Written notice is effective of the date of the postmark if sent by mail or the day it has been communicated to the institution. If you do not withdraw or contact the institution about your absence, and you have not attended your program for 21 consecutive days, you will be considered to have withdrawn from the school as of your last date of attendance.

Refund After the Commencement of Classes

1. Withdrawal date
   The withdrawal date is defined as the earliest of:
   a. The date the student notifies the school of their withdrawal.
   b. For a student who fails to return from an authorized Leave of Absence (LOA), the withdraw date is the date the student was scheduled to return.
c. A student will be determined to be withdrawn from the institution if the student has not attended class for 21 days.

d. The date the school terminates the student’s enrollment for failure to maintain academic progress; failure to abide by the rules and policies stated in the catalog; absences in excess of maximum set forth by the Institution; and/or failure to meet financial obligations to the school.

2. **Tuition Charges/Refunds**
   
a. Before the beginning of classes, the student is entitled to a full refund.

   b. After the commencement of classes, and up to and including 75% of program completion, a pro-rata refund will be issued. A pro-rata refund of the tuition charged is determined by dividing the number of clock hours remaining in the program as of the students last day of attendance by the total number of hours in the program.

   c. After 75% of the program has been completed, you are not entitled to a refund of tuition, fees, and other charges.

    **Refunds** will be issued within 30 days of the determination of the withdrawal date. Refunds are issued directly to the source (person/organization) from which the tuition payment was received.

    **Certification Exam Fees**

    Fees paid by the student for certification exams, when no exam voucher has been issued to the student, will be refunded.

    **Content Fees:**

    The student will not be required to purchase program content (i.e., books) until the time that these materials are required. These materials are required at the start of class. Once these materials have been purchased, no refund will be made.

    **Procedure for Program Withdrawal**

    A student choosing to withdraw from the school after the commencement of classes is to provide written notice to the Office of the Registrar. The notice is to indicate the expected last date of attendance and be signed and dated by the student. The notice may also include the name of the program the student wishes to withdraw from, the reason for the withdrawal request, the student’s full name, the student’s telephone number, and the student’s address.

    The withdrawal request can be submitted to CTCA via mail or email:

    CompTIA Tech Career Academy Attn: Withdrawal Notice
    3500 Lacey Road, Suite 100, Downers Grove IL 60515
    or
    records@comptiatech.org
Delinquent Tuition Collection

CompTIA Tech Career Academy will take the following actions on delinquent accounts:

1. Student will be placed on a financial hold. The financial hold will prevent the student from registering for future programs, obtaining transcripts and receiving the certification.
2. Placement of student account with a licensed collection agency. Collection agencies may assess collection fees on the student account.
3. Assessment of litigation and court costs.
4. Student’s delinquency will be reported to a national credit bureau.

Other Policies

Credit for Previous Experience

CompTIA Tech Career Academy does not offer credit for previous education, training, work, or life experience (experiential credit).

Transfer of Credits

Graduates of the IT-Ready Technical Support program will not be issued academic credits that can be transferred to other academic institutions. CompTIA Tech Career Academy does not accept academic credits issued by other academic institutions. As the IT-Ready Technical Support program is designed as a one-course program, the transferability of credits cannot be considered.

Transcripts

CTCA provides transcripts for our students upon submitting a request to records@comptiatech.org. Students may print an unofficial transcript of their transcript at any time by logging into the student portal.

Official Transcripts cannot be emailed, they must be submitted to the receiver in a sealed envelope. CTCA must have specific authorization in writing from the student to send a transcript, official or unofficial, to a third party, such as a potential employer, current employer or another school. Contact the Registrar’s Office (records@comptiatech.org) for additional information on transcripts.

Confidentiality of Student Records

CompTIA Tech Career Academy (CTCA) complies with the Family Educational Rights and Privacy Act (FERPA) by protecting the confidentiality of personally identifiable educational records of students and former students.

The student has the following rights: the right to inspect and review his/her education records within 45 days of the day the school receives a request for access; the right to request an amendment of his/her education records that the student believes are inaccurate or misleading; the right to consent to disclosures of personal identifiable information (PII) contained in his/her education records except to the extent that FERPA authorizes disclosure without consent; and the right to file a complaint with the U.S. Department of Education concerning alleged failures by CTCA to comply with the requirements of FERPA.
A health and safety exception permit the disclosure of PII from a student’s record to appropriate parties if knowledge of the information is necessary to protect the health or safety of the student or other individuals from an immediate threat.

**Course Cancellation**

If a scheduled IT-Ready Technical Support program cohort is cancelled, a full refund of tuition, fees, and other charges will be issued to the source from which the tuition payment was received.
**Grievance Policy**

Every student is encouraged to discuss his or her concerns or complaints with his/her Academic Advisor or the CTCA instructor or staff most able to assist the student in resolving the matter. If, however, the student is not satisfied with the result of these efforts, then the student may pursue a formal grievance by following the procedure below:

1. Make a **signed**, written complaint to the Chief Academic Officer describing the basis of the complaint in sufficient detail to allow an investigation under this procedure. The complaint should also include the student’s name, telephone number, email address, and the date of the complaint.

2. The Chief Academic Officer or designee will schedule an appointment with the student within three (3) working days to discuss the complaint.

3. The Chief Academic Officer or designee will confirm the completion of the investigation with a written report of the disposition of the complaint mailed to the student within five (5) working days of the first meeting with the student.

4. If the student is not satisfied with the Chief Academic Officer or designee’s report of disposition of the complaint, the student may appeal this result in writing to the Chief Executive Officer of CTCA within 10 working days of receipt. The appeal letter must include a copy of the written disposition report and an explanation why the student is not satisfied with that outcome.

5. The Chief Executive Officer or designee will review the written disposition report and the student’s appeal letter and will conduct any further investigation necessary, including requesting additional information from the student or Chief Academic Officer.

6. The Chief Executive Officer or designee will provide both the student and the Chief Academic Officer with a written appeal finding mailed within 10 working days of the receipt of the appeal letter. This written decision is the final disposition of the complaint.

Complaints should be submitted in writing to the following address:

CompTIA Tech Career Academy  Attn: Complaint Department
3500 Lacey Road, Suite 100
Downers Grove, IL 60515

**Minnesota**

If the complaint cannot be resolved after exhausting the institution’s grievance procedure, the student may file a complaint with the Minnesota Office of Higher Education. Additional information regarding the complaint process can be obtained by contacting the Board at:

**Minnesota Office of Higher Education**
1450 Energy Park Drive, Ste. 350
St. Paul, MN 55108
